

Safety Information for the Tour of the King's Mine

- Guests with claustrophobia, poor health, or physical limitations are not recommended to participate in the tour.
- The tour involves walking inside the mine, and guests must be able to evacuate 2.3 km on foot in case of an emergency and walk up 5 flights of stairs.
- Vibrations in the train can also be uncomfortable for those with health issues or for pregnant individuals.
- The minimum age is 3 years, and the recommended age is 5 years and older.
- Please arrive at least 15 minutes before the scheduled train departure. Location: Malmveien 11.
- Dress warmly, as the temperature is approximately +6°C.
- The train ride takes 15 minutes and involves some noise. Please use the provided earplugs.
- The guided tour inside the mine lasts about 60 minutes and covers 800 meters.
- The tour includes stairs equivalent to five stories (16 meters).
- Duration: 1.5 hours, including the train ride in and out.

For the mine safari: the minimum age is 8 years, and sturdy footwear is required as there are wet areas.

Have a great trip and welcome to the Silver Mines!
